TOURNAMENT REMINDERS, CHANGES & NEW!

(for 2026)

NEW...

CSR Rating System: What Is It?

- The CSR system assigns a numerical rating to players based on their performance in league and tournament matches that use the CompuSport software.
- The rating is between 1000 (Beginner) and 2200. (Professional)
- Each CSR has an accuracy of the rating (Between 1 and 5 stars, the higher the better)

How Is A New Player Rated?

- When a player starts, their CSR is calculated using the CSR of their opponents combined with their performance in those matches. As they continue to play, their CSR adjusts automatically to reflect their ongoing results, becoming more accurate over time.
- Each week, a formula is used on each game result to determine points to add or remove to each player's CSR. The formula uses the accuracy of each rating, the odds to win, and the results of the game. (Win or lose, flawless game)
- For each game, the current rating (and accuracy) of each player is used to determine the odds of winning. The higher your odds of winning, the less impact the win will have on the rating.
- To prevent manipulation, the CSR rating calculation is done so it cannot move rapidly over a few weeks. This means a player can't lose a bunch of games before a tournament to make the CSR lower.

Non-International & Canadian Players without a Qualified CSR...

- **Women:** will be assigned a 1651 CSR and will play in the **National Level** Singles
- **Men:** will be assigned an 1801 CSR and will play in the **National Level** Singles
- **Classic/Senior Women:** will be assigned a 1625 CSR and will play in the **Entertainment Level** Singles
- **Classic/Senior Men:** will be assigned a 1775 CSR and will play in the **Entertainment Level** Singles

International Players...

- All players must have a Qualified CSR.

Frozen CSR...

- All players CSR will be FROZEN as of April 14th to determine what Level they will participate in.
- 12 weeks of play must be completed by date of Frozen CSR to know what Level to enter at Registration Date.

Qualified CSR...

- Players must play a minimum of 12 separate league days to establish a Qualified CSR.

CHANGES...

Open & Women's Teams must be comprised of players from within their Charter Holder's League System (same C-H #). **Original league team players are no longer required.** You may now play with anyone within your Charter Holder's League System, however, your Team CSR Total will determine which Level you will participate in.
